

CAT TRAINING PROGRAM

Can you train a cat? Can you eliminate problem cat behaviors? You sure can! Similar to dogs, you can train cats if you understand cat behavior, cat psychology and communication. From litter box training to spraying to inappropriate biting, you'll be taught the skills to become a professional cat trainer. Help enrich the lives of felines and their families as an Animal Behavior College Certified Cat Trainer (ABCCT).

Our Cat Training Program offers the convenience of an online cat training course coupled with shelter experience and Pet First Aid and CPR Certification. If you're interested in turning your love for cats into an animal career, enroll in our cat trainer program today

Become an ABC Certified Cat Trainer, (ABCCT) and help create a loving family environment for everyone. This revolutionary and rewarding career could be yours!

CAT TRAINER PROGRAM CERTIFICATION

Upon completion of your cat training course and shelter work, you'll receive your cat trainer certification as well as the title of Animal Behavior College Certified Cat Trainer (ABCCT). Your certification will demonstrate your comprehensive knowledge of cat behavior and may give you the advantage over your competitors when applying for jobs or starting your own cat training business.

Our Cat Training Program makes it possible to:

- Get your cat training education online
- Get animal shelter experience
- Receive Pet CPR and First Aid Certification
- Experience what it's like to work with cats
- Receive ongoing student support
- Invest in an exciting new career
- Receive study materials
- Become an ABC Certified Cat Trainer

WHAT YOU WILL LEARN TO BECOME A CAT TRAINER

Our Cat Training Program has 11 stages that cover a wide range of topics. You'll learn how to read cat body language like a professional and how to apply your understanding of cat behavior to train them. The Cat Training Program also discusses the different cat breeds and coat types, behavior management and preventative socialization, and basic cat training cues.

- Stage 1 – A Basic Overview of Cats
- Stage 2 – Learning Theories and the Feline Mind
- Stage 3 – Cat Training Tools, Behavior Modification Products & Essential Care Items
- Stage 4 – Preventing Unwanted Behaviors
- Stage 5 – Basic Cat Training
- Stage 6 – Cat Behavior Management and Treatment
- Stage 7 – Cat Nutrition and Basic Care
- Stage 8 – Safety Concerns, Techniques & Practices
- Stage 9 – Business Building
- Stage 10 – Shelter Experience and Pet CPR & First Aid Certificate
- Stage 11 – Final Exam & Graduation

FLEXIBLE HOURS & AT-HOME CLASSROOM EXPERIENCE

ABC's cat training course is structured to allow even the busiest person the opportunity to become a certified cat trainer in approximately 8 months. The written curriculum and exams are available online, which means you can access everything from the comfort of your home. This also gives you the flexibility to set your own schedule and learn on your own time.

WHY BECOME A CAT TRAINER?

According to the 2016 APPA National Pet Owners Survey, the percentage of cat owners who use training devices increased from 24% in 2014 to 32% in 2016 (8% increase). This increase shows that cat owners are looking for tools, methods, and resources to help train their cats for a happier, more enriched home life. As a Certified Cat Trainer, you can be the resource that so many cat owners are looking to depend on. The demand is on the rise and this is your chance to be a part of improving cats' lives everywhere!

We have open enrollment so your education can begin immediately. A cat training career is about making a difference in the lives of animals and their families!

WHY ABC?

WE ARE PET LOVERS TOO!
